

## Jackie “Marini” Adams

Jackie “Marini” Adams was born in West Virginia and raised in Detroit, Michigan before moving to Houston, Texas a teenager. As a student at Barbara Jordan High School she studied fashion merchandising and design. A work study program provided her the opportunity to gain experience in the retail industry which served as a seed for her ultimate path. She committed herself to excellence and set the standard for her life’s journey. Jackie “Marini” graduated with a Bachelor of Science degree from Grambling State University. She pursued endeavors as a scientist but longed to explore her creative side. Her deep routed skills in retail business management come to life and eventually the doors of Melodrama Boutique opened December 19, 2002. Melodrama is one of Houston’s premiere high fashion women’s clothing and accessories boutique. However, Melodrama Boutique is more than a women’s fashion boutique, it is a sisterhood, a weekend social extravaganza and a place for emerging businesses to

promote their services. The Melodrama Boutique mission is to empower women and build self esteem through fashion, entertainment, entrepreneurship and sisterhood. Melodrama’s vision has impacted young creative artisans and impacted the greater 3<sup>rd</sup> Ward Community educationally and financially. Jackie “Marini” serves on the U of H Department of Consumer and Science Technology Advisory Board. She lectures annually to college students of the U of H and TSU universities on entrepreneurship and the benefits and obstacles of starting a business. Melodrama Boutique serves as a field grade class site for a U of H Merchandising class three times annually. Melodrama Boutique participates in over twenty five organizations and events throughout the greater Houston Community. Jackie has dedicated her life to making the mission of Melodrama Boutique and her life mission live in the lives of all young women who come into her sphere of influence.
