

## **Regional National Summer Camp Announcement**

We are excited and amped to announce the kick start of the countdown to our National Summer Camp hosted by the Southern Region.

### **CAMP BESE SAKA 2018**

***BESE SAKA - A symbol of affluence, power, unity and abundance!***

**"sack of kola nuts" – (The food of the Ancestors) He who brings kola, brings life!**

Camp BESE SAKA is a four-week summer learning experience designed to strengthen the youth's academic and social skills, as well as their spiritual and cultural understanding. Camp BESE SAKA aims to help campers return to the abundance of nature, understanding that they have an important role to play in ensuring the inheritance that they received in Beulah Land so that it is developed, preserved and maintained for future generations.

**Dates:** Sunday, June 24<sup>th</sup> to Sunday July 22<sup>nd</sup> 2018

**Location:** Beulah Land Farms – South Carolina

**Cost:** \$400 per child

**Registration fee:** \$40 per child

As you know it takes a village to raise a child and it's going to take a village to put this camp together!

We are asking for volunteers, we are asking for donations, we are asking for your support.

An online campaign has been prepared for members and friends wishing to donate to the camp. A wish list has also been prepared of specific items members may donate.

For more information on the camp, registration forms or donations queries may be directed to [bakeebah@gmail.com](mailto:bakeebah@gmail.com) or documents may be accessed on the church website: <http://theyearofrestoration.org/>

Thanks,

Rev. Bakeeba Hampton  
Southern Region Youth Minister  
(404) 542-8284
